Uusioaines Oy, PL 120, 30101 Forssa

DoP nro 3-43XXX-25-05

EN 13055-2:2004

Lightweight aggregate for bound and unbound applications

Foamit 3, Foam glass

Product features

Grain size

Grain form

Loose dry bulk density

Compressive strength

Water absorption

Water suction height (Capillarity)

Freeze-thaw resistance

Purity

Leaching of heavy metals by
filtration

Performance

0-7 mm

Fracture surface

450 kg/m³ (±15%)

NPD

NPD

NPD

NPD

Does not contain organic substances

Leaching is not significant for intended use
