0416-CPR-6651-04

Uusioaines Oy, PL 120, 30101 Forssa

DoP nro 10-43XXX-18-11

EN 13055-2:2004

Lightweight aggregate for bound and unbound applications

## Foamit 10, Foam glass

### Product features

Grain size

Grain form

Loose dry bulk density

Compressive strength

Water absorption

Water suction height (Capillarity)

Freeze-thaw resistance

Purity

Leaching of heavy metals by  
filtration

### Performance

4-10 mm

Fracture surface

180 kg/m<sup>3</sup> (±15%)

NPD

NPD

NPD

NPD

Does not contain organic substances

Leaching is not significant for intended use
